**Donation Request Letter for a Soccer Tournament**

Subject: We need your support for a Soccer Tournament.

Dear Sir / Madam

It is with great pleasure to write this letter to you, I'm part of the management team at Zalani foundation. We're hosting a soccer tournament for under 12 kids that will be held on the **28<sup>th</sup> November 2020** at **Lynnville stadium, Emalahleni**.

This event will not only help raise funds for the under privileged kids and the top three soccer teams to help them realize their dreams, to be a safe place to get physically active and make connections with their peers. It will also raise awareness for our cause, to stand against this pandemic of **Gender Based Violence** within the communities of Emalahleni. However we wouldn't be able to keep serving these teams of young people without important partners like you.

So far we are expecting approximately four teams which consist of 20 participants per team. This event wouldn't be possible without the support of our Municipality, South African Police Services and local companies, private people who provide valuable products and services so that we can support participants during the event.

We have volunteers that are trained in managing the social distancing protocols as we adhere to government's regulations that are set, during this time of the Corona virus pandemic.

If you wish to support us, I would be happy to provide you with more information. Thank you for your consideration! With your help, we're one step closer to hosting a successful awareness event!

Would you be willing to donate specific items, funds or service to help make this year's event possible? Visit our website to make donations - [zalanifoundation.co.za](http://zalanifoundation.co.za)
